

Our New Creative Learning Journey in Year 6 is.....

# The American Dream!

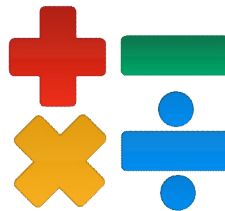

## LITERACY, COMMUNICATION AND LANGUAGE

This half term our Power of Reading book will be 'Holes'. We will explore the characters and themes within this story to inspire our own writing. The children will develop writing for different purposes, such as newspaper reports. There will be daily lessons of spelling, punctuation and grammar.

## MATHEMATICS AND COMPUTING

During this half term we will be revising the four operations and calculation strategies. We will have daily arithmetic practice to develop fluency of mental and written calculations. We will also explore fractions, decimals and percentages.

## UNDERSTANDING THE WORLD

We will learn about key events and individuals in American history and develop our critical thinking when considering their significance.

In Science we will be investigating life processes and the children will develop their scientific knowledge and conceptual understanding of biology.

## EXPRESSIVE ARTS AND DESIGN

The children will develop their observation skills and pencil control in Guided Drawing and will use a range of media to explore Native American tribal art.

## PHYSICAL EDUCATION

week.

This half term we will be focusing on team games. The children will build on team-work skills and effective tactics. Please remember to have a named PE kit at school all

## PSHE AND RELIGIOUS EDUCATION

We will be concentrating on forming positive relationships in this area. The children will use R-Time activities to develop their co-operation and respect when interacting with peers.
