

Lionwood Junior School Sport premium spending 2016/2017

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle and lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport.

Lionwood Junior School recognises that the development of a healthy lifestyle in children is hugely important as PE and sport raises self-esteem and confidence thus having a wider impact on their achievement and progress. As such we see physical education as a co contributor to our children's wellbeing and we have developed it alongside the existing work we partake in that focuses on diet and emotional welfare.

SECTION 2 – Planning your Provision and Budget for the Coming Year

Academic Year: **2016/2017 Total fund allocated: £9103.00 + £6907.16 carry from 2015/16 = £16010**

PE and Sport Premium Key Outcome Indicator 1/2/3/4/5.	Actions to Achieve	Approx Funding	School Focus/ planned Impact on pupils Evidence	Actual Impact (following Review) on pupils	Sustainability/ Next Steps
2/3. Improve and change how PE is taught through the whole school.	Whole school Real PE training	£1345	One PE lesson a week is to be taught using Real PE strategies. Increase challenge/motivation and mindsets regarding PE and foster long-term love of physical activity for the children.	Positive reception from staff. Renewed enthusiasm. Review meeting with staff was very positive. Improved confidence in the delivery of high quality PE.	Continue to support and send new and less confident staff on the Real PE training to enable them to teach PE and sport more effectively.
3. Up-skill PE lead in order to lead the change in PE teaching.	3-day Real PE course and supply cover	£495 +	One PE lesson a week is to be taught using Real PE strategies. Increase challenge/motivation and mindsets regarding PE and foster long-term love of physical activity for the children. PE lead to have the knowledge and skills to ensure support is given in school.	Lead Teacher (Alex Henderson) lead a staff meeting to review Real PE at the end of the year. Was able to spread expertise from extra training.	Ensure the new PE coordinator is confident to lead the Real PE effectively and become an expert in order to support whole school development.
1/2. Provide more outdoor equipment to promote fitness.	Installation of Gym equipment in outdoor areas and appropriate matting.	£10854.4	Children can access the equipment at break and lunchtimes to promote being active and healthy.	Equipment is constantly in use at break and lunch times resulting in increased physical activity.	Ensure equipment is maintained and well cared for.
4. Provide new opportunities for new games and sports.	Lacrosse/ Boccia and Kurling equipment	£735	A greater range of sports on offer for PE lessons, clubs and enrichment activities. Children to be keen to have new experiences.	New sports have been taught especially in enrichment sessions to enrich and enliven opportunities and encourage participation from all.	Ensure equipment is cared for. Examine new sports children would have an interest in playing through pupil questionnaire.

5. Increase participation in school competitions.	Increase the opportunities for inter-school sport participation. Cost of transport to and from events.	£1000	Coach hire and mini-bus transport to: UEA disability event, Swimming Gala, City Sports Athletic Event (3-days), Yr 4 girls football, Yr 5/6 netball tournament, Yr 5/6 football matches, Yr 3 Golf tournament, Yr 6 Rugby tournament.	Much increased participation this year due to stronger links with NESSP. Elite events mixed with participation events worked well and allowed children to participate in competitive and non-competitive sports. Children really enjoyed events, especially golf and netball.	Ensure participation in events remains high and that new PE lead is confident to ensure the events are attended and successful.
4/5. Maintain links with other local schools for events.	Contribute to cluster PE pool.	£500	Event held at LJS for climbing wall and archery by external provider.	Year 6 took part in the event which was successful and encouraged some of the children to try out rock climbing out of school.	Look into possibilities of LJS hiring in extra activities or sending children to specialized events to broaden their experiences.
2/3 Ensure teaching of PE uses appropriate equipment.	Maintain and provide good quality equipment.	£1073.15	Equipment bought: new footballs and pop-up goals, turbo javelins, soft discusses, primary hammers, mini tennis balls x60, netballs size 4, netball bibs, ball bags, class dance kit, bell ball, blindfolds, cricket kit and balls, primary playground kit.	Equipment has been used in lessons and clubs and means the sports can be taught effectively.	Examine other areas of equipment that need to be improved and replaced. Golf/Tennis/Gym/Floor markers/Badminton.

Total spend for 2016/17 : £16002

Completed by: Alex Henderson (PE lead for 2016/17)

Lucy Finnie and Becky Adcock (SLT)

Date: 01/11/2017 Review Date: 01/11/2017

Inter-school sports participation 2016 - 2017:

Golf: 12 children
Year 3/4/ Girls Football: 12 children
Year 6 Rugby: 12 children.
