The Lionwood Schools' Federation is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to various education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education

Each year the school will set attendance/absence targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents and the child.

The Home/School agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

We will ensure that our pupils are made aware of the importance of good attendance and how this will benefit them.

Leave of absence in term time

Leave of absence during term time will be discouraged. Parents will be reminded of the effect that absence can have on a pupil's potential achievement. The school will consider any application for leave of absence and will only agree to authorize the absence in exceptional circumstances; parents must apply in advance for permission for their child to have leave of absence.

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unauthorised.

The coding for any absences will be in accordance with the guidance provided by the Department of Education.

Registers

Paper copies of the register are used at both schools. The Junior School uses register books. Registers are completed by Classteachers and uploaded daily by administrative staff.

Lateness

Morning registration will take place at the start of school at 8:50am for the Infant School and 8:55am for the Junior School. The registers will remain open for minutes. Any pupil arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation i.e. school transport was delayed. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered.

The afternoon registration will be at 1:00pm for the Infant School and 1:10pm for the Junior School.

Pupils arriving after the start of school but before the end of the registration period will be coded as late before registers close.

First Day Absence

Parents are expected to inform the school on the morning of the first day of absence. If the school has not heard from a parent then the school will operate first day calling to determine a reason for absence.

Third Day Absence

A letter will be sent on the third day of absence if no contact has still been made with a parent.

A further letter will be sent on the fifth day of absence.

Ten Day's Absence

Any pupil who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Staff for the local area. (This is a legal requirement). The school will include details of the action that they have taken.

Absence notes

Notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period.

Frequent Absence

Within the school it is the responsibility of the attendance administrative staff to be aware of and bring attention to, any emerging attendance concerns. In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible.

Registers are audited regularly by the Headteacher and attendance staff.

Early contact will be made with parents by the Headteacher or Deputy Head Teacher from the school if attendance is dropping below target or just above or below 90%. There will be a discussion with the AIO or a referral to panel or Fast-Track depending on the level of attendance, at this point a Fixed Term Penalty Fine could be issued.

Persistent Absence [PA]

All pupils whose attendance level falls below 90% will be subject to an action plan to support their return to full attendance. These action plans will be set up by John McConnell, the Deputy Headteacher.

The action plan will include engagement with all parties who can support the pupil's attendance. This may include liaison with our Parent Support Advisors, engagement in a Family Support Programme or regular panel meetings with school staff.

A Welcome Back

It is important that on return from an absence all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Class teacher's will ensure that following absence from School all children will be set aside individual time to catch them up with missed work. This may be a one off session or where absence has been significant it may be a series of intervention sessions.

Attendance Awards

The school will use the following system to reward pupils who have good or improving attendance.

All classes receive £10 in the form of a cheque for achieving above the school target of 95% (infant School) and 98%(Junior School) on a weekly basis. This cheque will double when a class attains 100%.

All children will also receive an individual certificate for reaching a 100% each term.

Annual rewards are given for 100% attendance.

Categorisation of Absence

Any pupil who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence
2. Authorised Absence
3. Approved Educational Activity

1. Unauthorised absence

This is for those pupils where no reason has been provided, or whose absence is deemed to be without valid reason.

2. Authorised absence

This is for those pupils who are away from school for a reason that is deemed to be valid under the Education Act 1996.

3. Approved Educational Activity

This covers types of supervised educational activity undertaken off site but with the approval of the school.

Note Pupils recorded in this category are deemed to be present for attendance returns purposes.

This would include:

- Work experience placements
- Field trips and educational visits
- Sporting activities
- Link courses or approved education off site

If a pupil is receiving education off site or is attending at a school where they are dual registered with, the school will liaise with the other education provider to check on attendance.

Record preservation

We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years.

Computer registers will be printed out at least once a month and bound into annual volumes or preserved as electronic back-ups or microfiche copies and will be available for each month (*Delete as appropriate*)

Register Security

Registers or attendance marking sheets if used must be safely stored. [*Give details of the schools system for moving registers around school and where they are kept after registration times*]

Attendance Targets

The school will set attendance targets each year. A system for analysing performance towards the targets will be established and a senior school manager will be responsible for overseeing this work. The school will make use of the attendance data available on the "RAISEONLINE" system, when setting its target. Targets will relate to national averages.

Our schools targets are:

Absence rate of 5% or below for the Infant School
Absence rate of 3% or below for the Junior School

2014-2014

Our PA targets will be
2% for the Infant School
and 1.8% for the Junior School
2014/2015

The School's have a Governor Attendance Committee.

Any pupil with attendance below 85% over the school year is known as a persistent absentee, whatever the reason for the absences. The DfE has indicated that the level of absence that defines a child as being classed as PA may be reduced in future years.
