R.S.P.B. Big Garden birdwatch
As part of enrichment, year 5 have been involved in the R.S.P.B. Big Garden Birdwatch.

Quote from Daniella and Molly:
'We saw lots of sparrows, bluetits, long tailed tits, seagulls, loads of pigeons and a crow. The most exciting part was when we saw a Dunnock.'

Please remember to bring your **PE kit** to school **every Monday**.

Tackling Headlice

Just as a reminder, in order to eradicate headlice, everyone must check and treat!

GPs are able to offer prevention advice and can prescribe medication if required. Also, prescriptions for headlice can be given by Health Visitors at all weigh-in sessions at the Children's Centre on Wolfe Road. The Health Visitor would need to see your child first.

The bites from headlice can quickly become infected and lead to medical complications, so please treat your child as soon as you notice they have headlice.

Please check your child's head daily.

If you would like any further support, please feel free to come along to the Parents' Group which takes place on Tuesday morning between 9am-11.30am.
