

03.11.17
L.J.S.

The children will be bringing home a letter about the Exemplar Maths and English programme which provides parents with home based support for their children's schoolwork. If you are interested in using the programme please return the attached slip on the letter.

Can you help?
Year 5 and 6 are in need of 500ml plastic bottles for their science work. If you have any to spare please bring them in next week. Thank you.

Year 3 have a trip to the cinema next week. Remember to bring back permission slips, if you haven't already!

Well done to 4C who had 99.58% attendance the week before half term! £10 is on its way to you.

BONFIRE NIGHT

Please be safe if you are attending any Bonfire Night events this weekend. Check out the Norfolk Fire and Rescue Service website for tips on how to keep safe and have fun this firework season.

Members of Year 6 with Green Tops were fantastic tour guides this week on our Open Morning. They gave informative tours of the school and our visitors commented that they were polite and had lots of great things to say about our school.

What great representatives– well done!

Cycling Proficiency continues for Year 6 next week.

We have been taking part a week of inspirational Maths. Ask your child what they have been learning this week.

Year 3 brought in some amazing circus models this week – what great homework!

Year 5 have started learning all about Greek Mythology. They have written some fact files in ICT.

*Learning at Lionwood
This week...*

Year 6 have begun learning about the different organs of the body.

Year 4 returned to a Victorian classroom this half term. The children took part in handwriting and drawing activities and found out lots about Queen Victoria.
