We have now introduced Parking Passes for parents and carers who have been given permission to park in the staff car park. These passes are given out in exceptional circumstances.
If you do not have a Parking Pass, then you should not be parking in the staff car park. This is for the safety of children and staff. Thank you.

Authors Steven Lenton and Steven Butler came in to visit school on Wednesday. They were really funny and told us lots about writing, being an illustrator and how they create their books.

Year 4 are holding 'LJS Bake Off' on Monday 26th of March to raise money for their school trip. You are invited to come and buy the cakes at 3.20pm in the Hall. This is where the winners will be announced and receive their prizes. There will also be a LJS celebration cake that will be raffled off. Tickets will cost 20p and will be available to buy from 4H from Monday 19th March.

Sport Relief

Next Friday 23rd March we will be doing our part to raise money for Sport Relief. As a school we will be attempting to run (or walk) to Africa! (the same amount of miles.) Please support your child if you can as well as this worthwhile cause, by sponsoring them for taking part. A sponsor form will be coming home. As well as this, various other fitness activities will be taking place throughout the morning helped by the School Council. Please make sure your child has suitable outdoor P.E. kit on that day. Your child can come in non-school uniform with a sport theme on that day. Thank you

Remember to bring coats to school. The weather is still changeable and we would like to go out as much as possible. Children will be asked to stay inside if they do not have a coat.

Year 3 will be taking part in some Forest Schools activities all to do with their Romans topic next week.
