Target = 96%

WELCOME TO THE NEW LOOK NEWSLETTER!

Following parent feedback, we have updated our newsletter. Any further suggestions of how to improve communication will be gratefully received. We know that a lot of parents/carers have suggested text messaging and we are in the process of updating our new school system so that we can provide you with this in the next few weeks.

What we have been learning ...

Year 3: Have been learning how to estimate in their Maths lessons. In English they have been writing diary entries. They have also been learning how to say names of colours in French.

Year 4: the pupils have been using drama to predict what will happen next in their class story. They have also been learning Shang dynasty facts.

Year 5: the children have been revising factors of numbers and learning about prime numbers.

Year 6: have been learning to multiply fractions with Mr Reeve, Mr Henderson's group has been learning how to order operations and Miss Stalley's group have been investigating complicated division calculations. In English they have focussed on their grammar and punctuation skills.

After School Clubs

On Wednesday 5th December both the Art and Sumdog clubs will be cancelled due to the Christmas fair. **Next week will be the last week for clubs this year.**
