Learning at Lionwood

All children have been taking part in a week of Inspirational Maths.

Year 3: The children have been looking at figurative language for poetry writing this week, in particular the use of similes and alliteration.

Year 4: In Year 4 the children have been learning how to write scientific experiments and have had lots of fun with rockets.

Year 5: The children have been learning about 'fake news' and what makes a good newspaper report.

Year 6: The children have been creating fictional characters and writing job applications to be a part of Shackleton's crew on expedition to Antarctica.

The use of the staff car park is with authorisation from the Head of School only. Please help to keep staff and children safe by keeping the car park and entrance clear. Thank you.
