Some of our neighbours have complained about cars parking in front of their driveways at drop off and pick up time. Please be mindful of this.

Adapted Games

Some of the children took part in an Adapted Games event at UEA on Thursday. They had lots of fun and were excellent representatives of our school. Well done!

Year 3: We have been doing lots of PSHE this week. We have learnt about how we can help the environment and who can help us.

Year 4: We have been carrying out scientific experiments all about mummification.

Year 5: We have been learning about mixed improper fractions.

Year 6: We have been updating our Captain's Log for Shackleton's adventure this week.

There are a few children in school with verruca's at the moment. Please make sure these are treated at home. If children have verruca's they will be asked to wear socks and shoes for PE and a plastic sock for swimming.

Half of Year 5 visited the Millennium Library on Wednesday this week. They had lots of fun "Thinking like a historian" and looking at the difference between primary and secondary sources, as well as having the chance to choose their own books to borrow.
