HAVE A FANTASTIC HALF TERM BREAK

We'll see everybody back on Monday 25th February

Learning at Lionwood

Year 3: Year 3 have made some fantastic cars using wood, saws and glue guns this week.

Year 4: We have been learning all about the digestive system and taking part in some smelly and messy experiments.

Year 5: The 'Grand Designers' have been creating their own schools in DT this week.

Year 6: We have been conducting science experiments about light and different lenses used in sunglasses. In DT we have been learning about structures.

Please do not park in the car park unless you have been given permission from the Head of School. This is for the safety of children and staff.
