We have appointed Mrs Warminger as class teacher in Year 3.

From feedback we have received from parents, we are looking to update our communication systems in school.

As you know, we sent out a test text last week to parents and hope to use this in the future.

We are also in the process of updating our website and are going to be using twitter to keep everyone up to date with events and activities in school.

We would like to know your thoughts on whether you would like to continue to receive paper copies of the newsletter.

If you would like to share your thoughts on this, please talk contact the school.
