### Understanding Dogs

We are pleased to be hosting a FREE after-school workshop provided by Dogs Trust for KS2 pupils who would like to become more confident around dogs. The 1 hour session uses videos, discussion and role-play to explore some of the reasons why dogs behave as they do, and equips children with simple strategies they can use around dogs in everyday situations.

Date: Wednesday 8<sup>th</sup> May

Time: 3:25 – 4:25

Location: Lionwood Junior School

The workshop is suitable for pupils in Y3 upwards, and all children must be accompanied by a parent / carer. Places are limited and booking is essential; please let the school office know to book your place.

*Please note: This workshop is only suitable for KS2 pupils. A real dog will not be present during the workshop. If your child has a phobia of dogs please seek expert advice from a suitably qualified psychologist.*

There is currently a vacancy for a parent to join the Inclusive Schools trust board. If you are interested and would like further details, these can be found at the below link:
