Another great week of learning at Lionwood Junior

It has been a pleasure to go around the classrooms this week and see the focussed learning happening right across the school. Please make sure you use this bank holiday weekend to rest /recharge and be ready for the learning packed week ahead.

Assessments

During the Summer term all classes will be given formal assessments. These play an important part in teachers finding out what children can do independently and so give us information to ensure we can plan for your child's learning needs. These tests are always managed in a sensitive manner considering children as an individual. Helping us know how to support the children and be successful, is at the heart of why these tests are happening.

Should you have any queries please speak to your child's class teacher who will be happy to answer any of your questions and discuss arrangements.

Contact Details

Please make sure we have up to date details for you. If your phone number has changed for any reason please let the office know so we can get in touch when necessary.

Thanks.
