Just a reminder that the school operates a strict **48hr** policy towards children not returning to school until after their last bout of sickness or diarrhoea.

We have had an increase in the number of children absent with these and as a result the school is receiving a deep clean during the holiday.

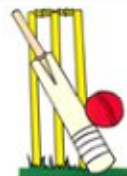

Please play your part in keeping our school a healthy one by keeping to our **48hr** policy. Thank-you.

Tempus Fugit!

"Time flies when your having fun," seems very appropriate for this half term.

Although shorter than usual it seems to have packed with activities and opportunities for the children. Well done to everyone on a successful start to the Summer term. Make sure you rest next week over our break and come back are ready for another action packed half term. There are lots of events to look forward to so please keep a watch on our newsletter to ensure you keep up to date on what is happening.

Howzat!

On Wednesday Year5 and 6 children went to an all day cricket event. It was really fun and exciting, the sun was blazing hot on the field but still we played on! We played four 45min rounds and we had fun practicing. After the really fun practicing we played our rounds. When we finished all of the fun rounds, the lady announced the winners. Our school tied in third place, at the end we all thought it was that we had a fun day that mattered most.

Here comes the sun!

With the Summer weather feeling like it might finally be here to stay, it has been great to see some children wearing their sun hats.

Please make sure your child has a hat to stay safe outside and that you have applied sun cream at home before school.
