This week Year 5 and 6 students have been boldly going where no Lionwood student has gone before. These two year groups enjoyed a fascinating day focused on enterprise. They explored how their ideas to solve a problem could become a reality. The children worked in teams to design innovative solutions to real world problems that included big issues in today's world, such as plastic in the oceans and how to solve climate change. The children surprised us all with their innovative and imaginative solutions. We all met at the end of the day and the children were excited to have certificates presented to them by the High Sheriff of Norfolk. She made special comment on the high quality of presentations as the children pitched their ideas to the "Dragons".

Well done to everyone who took part in the day, especially the children whose enthusiasm and creative thinking shone through.

### After school clubs

We have to phone home if a child has been in school and does not come to their club. Please let us know if your child cannot attend.

## Summer Fair

### Wednesday 3rd July

Apologies again for any inconvenience caused by the postponing of this year's Summer Fair. It was not a decision made lightly and was made with the best interests of everyone involved in the day. The forecast for electrical storms meant that we had to put safety first. We are though very excited about our new date and look forward to seeing you all then.

### TERM DATES

Summer Fair—Wed. 3rd Jul  
End of Year Reports—Fri. 5th Jul  
Performance—Wed. 10th Jul  
Last day of term—Wed. 24th Jul
