## You're never fully dressed without a smile!

A real and tangible buzz has been around Lionwood Junior as the children have moved rehearsals for their production up a gear. It has been great to see and hear so many children being involved in what is sure to be a massive hit! At times it has felt as if a song has been coming from every corner of the school—even from under the stairs. In the hall evidence of all the behind the scenes work has been on display as backdrops are being painted and stage props constructed, a real team effort from everyone. The production is now just around the corner.

Performance times and dates are:

**Tuesday 9th July at 1.45 and Wednesday 10th July at 1:45 and 6:00pm.**

The children have been putting their all into getting everything in place to share and all they need now is you—the audience. Please book tickets using the form provided on the letter sent home.

## Netaware?

Which app is safe for my child to use?

With the online interests of children seeming to change almost daily it can be difficult to be sure which places online are safe for young people to access and which are best avoided. With this in mind, we would like to direct parents to the Netaware app. As an online source of information it updates regularly with the latest guidance so parents can make an informed choice.

Please use this link to visit the website and download the app.
